DIRECTIONS

1. Very easy: At the top of the gondola at 1800m, follow direction "lac de l'Airon". You can buy cheese at the farm, lunch or dinner, trout fishing, very nice view. Take the Kédeuze gondola at Carroz 1200m (opens July-August) When coming out of the gondola. Take the path in front/right and walk down until you see the lake.
2. Height difference ca. 150m: Take route de Flaine by car ca. 8 km, after driving under the chair lift Carroz 1500, after 3-4 bends, take left where there is a wooden bin collector and park there. Follow the path up to "alpage-Airon lake".
